

Narrative Discourse Revisited, 1988, 175 pages, Gerard Genette, 0801495350, 9780801495359, Cornell University Press, 1988

In Narrative Discourse Revisited Genette both answers critics of the earlier work and provides a better-defined, richer, and more systematic view of narrative form and functioning. This book not only clarifies some of the more complex issues in the study of narrative but also provides a vivid tableau of the development of narratology over the decade between the two works.
